

I am Sujal, I am 30 year old. My girlfriend's age is 29. She is around 11 months younger than me. She has a master's degree while I only have a bachelor in technology. I work in the UAE whereas she works in Sweden.

Currently, I work with digital dubai, a government arm of the emirates of dubai that works on digitization of the city. My girlfriend's name is Busra. She works in a sports data aggregation company called Kambi.

We are going to marry in November, 2023. I am an Indian. Busra's nationality is Turkish.
